I have just finished a Germany study . Moreover I speak English . I have worked with different kinds of people , including adolescents . I give an impression of reliability and friendliness in all my deeds . I always keep my head in an emergency and find it very easy to co-operate with other people . In addition , I am creative person with big imagination and thousands of ideas in one minute. I am extremely dedicated to my work and always try to do the best .

For all these reasons , I believe I would have much to contribute and would certainly acquit myself well of my duties . I would be very grateful if I could be asked for coming for the interview .

I am looking forward to hearing from you.

Yours faithfully,
