Dear Mr. Baranowski,

I am writing in response to your advertisement, which was published in "Wspólnota Łukowska", connected with a job offer. I would like to apply for the position of history teacher.

I have just finished an English course. My strengths are well organized, justice and a lot of time. I would be well suited to the position because I gained a Master's degree with honors and I am experienced in this profession, in an earlier work I had many winners of competitions.

My professional skills appear to be well suited to your company's requirement. Even when working at high speed, I do not neglect accuracy and would therefore be particularly suitable for the demands of working as teacher. My ability to be logical thinking, good banter with the children.

I would welcome the opportunity to discuss further details of the position with you personally.

Your faithfully,
Małgorzata Rychta
