Dear Madam

I am writing to response to your advertisement, which was published in "Express", connected with a holiday job offer. I am very interested in it and I would like to apply for the position of babysitter.

I have just finished a babysitter course. My native language is Polish, but I can speak Russian and Spanish.

I have worked with different kinds of people, including disabled.

I give an impression of reliability and friendliness in all my deeds. I always keep my head in an emergency and find it very easy to cooperate with other people.

In addition, I am a creative person with big imagination and thousands of ideas in one minute. This makes me a suitable person to works as a babysitter.

For all these reasons, I believe I would have much to contribute and would certainly acquit myself well of my duties.

I would be very grateful if I could be asked for coming for the interview.

I am enclosing the names of two refers from Rzeszów, whom you can contact for further information.

I am looking forward to hearing from you.

Your faithfully,
Kinga Chmielewska
